APTON HALL
WEDDING & EVENTS VENUE

Dovecot Suite

This discrete and spectacular space was specifically designed to enhance the magnificent features of exposed oak beams and vaulted ceiling over the bedroom. The room, featuring a super king bed with bespoke embroidered cushions, chaise longue at the foot of the bed and adjacent roll-top bath, offers the ultimate romantic night away. The biggest, and most beautiful suite on site, is spread across two floors boasting a separate cosy sitting room and large bathroom with walk-in rainfall shower. The neutral backdrop allows the architectural beams and intricate Dovecot ceiling to sing, mixed with more intricate woven wools and embroidered linens the end result is a sophisticated, timeless, romantic hideaway.
